Making it Easy

Recycling Appeal aims to make fundraising easy. We have built a comprehensive resource centre online at www.recyclingappeal.ie to support your campaign efforts. Take a few minutes and visit this site for a variety of downloadable resources including:

- media releases
- supporter letters
- fact sheets
- posters
- website banners

Get Others to Help

Think of your campaign as an opportunity to help your community dispose of their used mobile phones, PDAs and printer cartridges. Simply contact businesses, partner organisations, suppliers and supporters and ask them to collect on your behalf. We can arrange collections directly from their premises, without any hassle for you. Call 1800 933 616 with the interested organisation's contact details, or have them contact us direct. They will receive their own account number and all funds raised by their account will be paid directly to your recycling appeal.

Win Great Prizes!

You can win some amazing prizes by recycling. For every FREEPOST envelope returned or collection arranged, the donor will be entered into a draw to win a fantastic weekend escape for two at the European destination of their choice. Recycling Appeal have teamed up with our friends at Avis and FlyBe to offer the lucky winners direct flights anywhere on the FlyBe network, along with Avis car-hire and two nights accommodation. Prizes are drawn monthly, so get recycling for your chance to win! All winners will be notified by telephone. Remember, in order for your FREEPOST envelope to qualify for entry in the draw, you must complete the entry form on the envelope.
